

Spring in Year 3

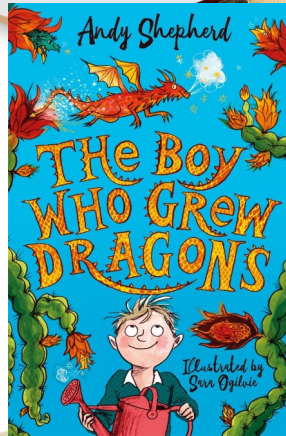

English

The Boy Who Grew Dragons

We will be writing:

- A description of our own dragon
- Instructions to inform people of how to care for a dragon.
- A non-chronological report (headings, sub-headings)- all about dragons.

We are reading...

In grammar we will be focusing on:

Subordinating clauses within complex sentences.

Using paragraphs to organise writing in fiction and nonfiction texts.

Using possession by using the possessive apostrophe with plural nouns.

Maths

Fractions

- Part -whole relationships
- Fractions as part of a whole or whole set
- Relate to division
- Equivalent fractions

Science

Friction and magnetism

We will:

- compare how things move on different surfaces
- notice that some forces need contact between two objects, but magnetic forces can act at a distance
- observe how magnets attract or repel each other and attract some materials and not others
- compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials
- predict whether two magnets will attract or repel each other, depending on which poles are facing

LUNAR

Staycation or vacation?

Through this Geography unit, we will be answering the question:

What makes the UK a great place to live?

We will explore the physical and human geography of counties and cities in the UK. We will use maps to find and locate cities and counties in the UK. We will also compare cities in the UK to ones in Europe and South America to decide whether we would go on a vacation or staycation?
