

Trip Impact Report

Year Group: Reception	Location: Blue Planet Aquarium	Date: 23/04/2025
------------------------------	---------------------------------------	-------------------------

Summary of trip *(including purpose and links to the curriculum)*

To give children the opportunity to explore sea creatures as part of their 'Under the Sea' topic, enhancing their learning, knowledge and understanding of the world around us.

Pupil Voice *(including pupil impact)*

What I enjoyed....

I love Blue Planet Aquarium - Hallie

I loved looking at the different fish - Oakley

It was funny when the diver was pointing to us when he was under the sea - Bella

My favourite creatures were the frogs! - Oakah

Why I enjoyed it....

We got to see things in real life – Nell

I got to see a Barracuda and I've only seen them in pictures before – Hunter

My next steps in learning following the trip are...

I'm going to draw a picture of the coral cave – Wilson

I'm going to write about the different fish we seen – Millie

Parent Voice

'The children loved it'

'They were all so excited'

'They've had a great day.'
