

**SAINTS PETER AND PAUL**  
CATHOLIC HIGH SCHOOL

## **Saints Peter and Paul Catholic High School Open Evening 2021**

**Date: Thursday 30<sup>th</sup> September 4-7pm.**

Dear Parents and Carers,

I am writing to you personally to invite you and your children to attend our forthcoming Open Evening. The event will give you a unique opportunity to see first-hand what our school has to offer to enable your children to become the best versions of themselves. Attendance at the event is by appointment only so please visit the following page on our website to request a guided tour:

[https://www.saintspeterandpaul.halton.sch.uk/dates/upcomingevents/open\\_evening/](https://www.saintspeterandpaul.halton.sch.uk/dates/upcomingevents/open_evening/)

Saints Peter and Paul Catholic High School is a popular, successful and highly regarded school across the North West. We are now one of the highest performing schools in the Archdiocese of Liverpool and Halton, but we offer so much more than securing great exam results. We have recently achieved the 'Leading Parent Partnership Award' which recognises the strong focus on working in partnership with parents to ensure they truly play a part in ensuring the best possible education for the students of our school. Over recent years we have seen the success that comes from working in partnership with parents who are invested in the academic journey and personal growth of their children and are fully supportive of the school's ethos.

Families choose Saints Peter and Paul Catholic High School due to our special community ethos and our focus on the development of the 'whole' child. We believe putting personal development first leads to great exam success. We are completely committed, both within and outside of the taught curriculum, to provide opportunities for personal growth and development, so that children can find their passion in life and place in the world. We welcome students from every background, and we believe that this creates the rich and inclusive fabric of our community.

Every child is unique and deserves an education that captures and nurtures their gifts, talents and interests and helps them to shine. At Saints Peter and Paul Catholic High School you will find an educational experience that will prepare children to succeed at the top universities in the UK or support them in pathways to achieve more vocational or practical routes into further education, employment or training. The quality and breadth of our curriculum is evidenced through the success of our students. Over the past few years, they have gone on to some of the most reputable vocational providers, as well as the top academic destinations in the country, such as Oxford and Cambridge universities.

The values we hold dear are 'Respect', 'Compassion' and 'Aspiration' and we expect our students to live out these values every day. The warm, welcoming and joyful atmosphere is always commented on by visitors to our school. There is a very special community spirit here that is tangible in every interaction. We are real and truly are a team that always goes the extra mile to understand and support our young people and their families.

During our Open Evening, parents, carers and children will have the opportunity to meet with myself and hear more about what we offer at our school. You will be able to tour the whole school and most importantly meet our wonderful students and staff who make our school such a special place to be.

Ahead of the open evening, you can find useful information on the 'Transition' tab of our school website, including information booklets and a variety of videos to give you a sense of what our school is about.

I very much look forward to welcoming families into our school once again, please do book a place on a guided tour by completing the form in this link [Register an interest in an Open Evening tour of Saints Peter & Paul Catholic High School](#) which is also available on our website home page.

We are honoured to welcome and work with the families we serve and together look forward to an incredibly bright future for the students of Saints Peter and Paul Catholic High School.

Kind regards

**Mrs D Scott**
