Newsletter – Friday 25<sup>th</sup> April 2025

Dear Parents and Carers,

Welcome back to all our wonderful families! It is lovely to see everyone return safe and sound, refreshed from the break. We hope you all had the opportunity to bask in the glorious sunshine and create lasting memories. As we embark on this new term, it is wonderful to witness our pupils' enthusiasm for learning. Their positive attitudes and eagerness to engage are a testament to their resilience and love for education. This energy sets a fantastic tone for the weeks ahead. We look forward to another exciting term filled with growth, discovery, and achievement. Thank you for your continued support in making our school community so vibrant and inspiring.

## **Welcome to Reception Class 2025-2026**

We are so excited to welcome our new starters for Reception 2025–2026! Over the holidays, many families received the wonderful news that their child has been offered a place at our school, and we couldn't be more thrilled. This marks the beginning of a very special journey, and we are already looking forward to meeting our new children and their families. There's so much to look forward to—new friends, fun learning experiences, and becoming part of our warm and caring school community.

## **Reception Blue Planet Trip**

This week, our Reception children had an exciting adventure on their very first school trip to the Blue Planet Aquarium. Full of curiosity and wonder, they explored the fascinating underwater world, discovering colourful sea life, graceful rays, and even a spotted dog fish! The highlight of the trip was walking through the amazing shark tunnel, where the children gazed up in awe as huge sharks swam above their heads. Whilst it was a magical experience that will enable us to bring our new Under the Sea topic to life, it was also a fantastic opportunity for our youngest children to showcase their ever-growing maturity as they ventured out of our EYFS classroom.

## **Emotion Coaching Session**

We would like to invite all parents to an Emotional Coaching Session, hosted by Halton Healthy Schools, which will take place at our school on **29<sup>th</sup> April at 2:30pm**. This 45-minute session is a fantastic opportunity to gain valuable insights and strategies to support your child's emotional well-being. We encourage parents to attend and take part in this informative and engaging session aimed at fostering a positive environment for both children and families. We look forward to seeing you there!

## **Class Photograph Reminder**

We would like to remind you that Tempest photographers will be visiting our school on Monday 28th April for school photographs. On this day, children with PE scheduled should wear their school uniform and bring their PE kit in a bag to change into later. Your support and cooperation in this matter are greatly appreciated

## **Y1 Family Worship**

We are delighted to extend a warm invitation to parents for our upcoming Year 1 Family Worship. This special event will take place on **7th May at 9am**, where our wonderful Year 1 children will be leading a worship centred around this term's Christian Value Trust. These family worships provide a fantastic opportunity for us to come together as a school community and celebrate the hard work and spiritual growth of our pupils. We are excited to see how our Year 1s interpret and express this important value. We look forward to welcoming you and sharing in this meaningful experience with our school family.

## **Uniform**

As we anticipate the arrival of warmer weather, I would like to take this opportunity to remind everyone about our summer uniform policy. We understand that many shops and supermarkets are stocking various uniform options, but it is important to adhere to our approved dress code. For our summer uniform, pupils may wear black shorts instead of trousers. Please note that grey shorts are not part of our uniform. Girls have the option of wearing a purple gingham dress, but we kindly ask that you choose plain dresses rather than customised versions. In Key Stage 1, pupils should wear a white polo shirt, while Key Stage 2 pupils are required to wear a white short-sleeved shirt with a tie. PE kits consist of plain black shorts and a plain white top. Thank you for helping maintain our high standards.

Earrings should be removed before coming to school, and makeup is not permitted. If a pupil arrives wearing makeup, they will be asked to remove it. Long hair should be tied back, and any hair accessories should be small and in purple, black, or white. Large bows are not allowed and will need to be removed. Additionally, for safety reasons, sandals are not permitted. Your support in maintaining our high uniform standards is invaluable and greatly appreciated. By working together, we can ensure that our children present themselves smartly and are ready for learning each day. These standards not only foster a sense of belonging and pride in our school community but also help to create an environment where pupils can focus on their education. Thank you for your continued cooperation and support in upholding our uniform policy

Year 6 parents please be aware that **Year 6 pupils will need to wear their full school uniform** (including shirts, ties, jumpers, or cardigans and not summer dresses) **for their Leavers Service at Liverpool Cathedral**, so we respectfully request that an autumn uniform is kept for this special occasion

## **Well Done Carter!**

A little something about Carters new belt ☺

Carter in Year 5 has recently been awarded his Black and White Belt in Kickboxing by his Senseis, this now means he is one step away from His Full black belt. To get this far Carter has had to show his skill and determination through training, competition and teaching of the younger students at the academy. Carter has been training with Senshi Academy since the age of 3 and has shown commitment and determination to get this far. This is a fantastic achievement, by a talented and gifted sportsman and we are incredibly proud of him!

## Important reminder regarding reporting absences.

Please be reminded that you need to notify school before 9am with the reason for absence for this to be recorded appropriately.

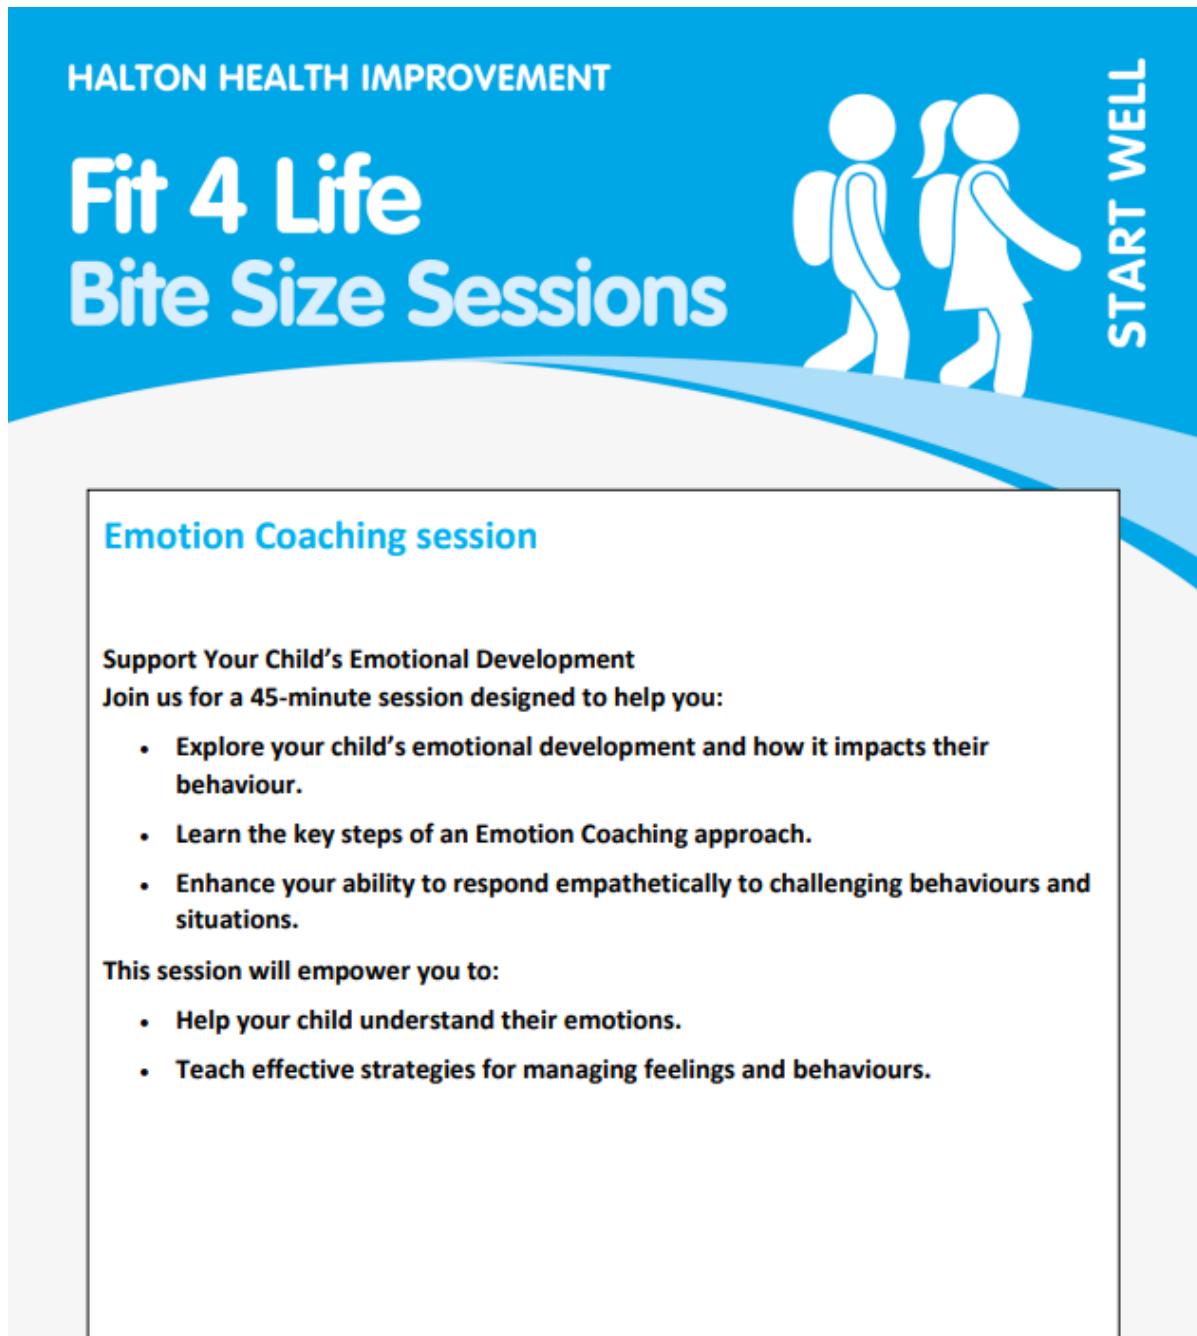

**Please note 'Feeling unwell', 'poorly' or 'under the weather' is not sufficient, more detail is required such as 'has been sick' or 'has a temperature' is required.**

There are lots of ways to notify school of absence. You can call the school number and leave a message on the absence line, you can send a message via Arbor or you can email the school office.

Thank you for your continued support

**READ TOGETHER ...**

**DANIEL AND THE LION**

Once upon a time, there lived a young man named Daniel. He was a kind and brave man who loved his friends, family, and most importantly, he loved God.

Daniel always prayed to God every day and followed His commandments.

At that time, Daniel lived in a big kingdom ruled by a powerful king called Darius.

King Darius really liked Daniel because he was wise, honest, and very good at his job.

The king decided to make Daniel one of his most trusted advisors, which made some of his other advisors very jealous. These advisors plotted to get rid of Daniel. They tricked the king into making a law which said that nobody could pray to any god or person except the king for 30 days. Anyone who disobeyed this law would be thrown into a den filled with hungry lions. Even though Daniel knew about the new law, he still prayed to God three times a day, just as he always did.

When the wicked advisors found out, they ran to the king and told him that Daniel was breaking the law.

When the king found out, he was extremely upset because he realised he had no choice but to punish Daniel. Although he liked Daniel, he had to follow the law.

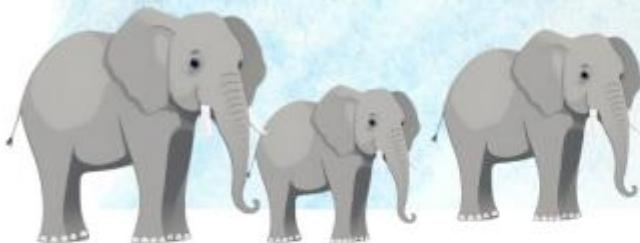

King Darius reluctantly ordered Daniel to be thrown into a den filled with hungry lions. The king hoped that God would save Daniel, because he knew how faithful Daniel was. King Darius was so worried about Daniel, he was unable to sleep that night. Early the next morning, he rushed down to the den to see if Daniel was still alive. The king called out to him and was overjoyed when Daniel replied.

Daniel explained that God had sent an angel during the night to protect him, and that he was unharmed. King Darius was delighted. The king then declared that from that day on everyone in his kingdom should worship Daniel's God, the one true God.

Meanwhile, the jealous advisors were all punished for their wicked deeds. The king had them thrown into the lions' den, and they were pounced upon immediately. Daniel continued to be faithful to God all his life. He became a wise advisor to King Darius and helped make the kingdom a better place. People throughout the kingdom admired him for his bravery and his strong faith in God.

Did you know that elephants have been a symbol of TRUST since ancient times. They demonstrate loyalty and empathy in the most incredible of ways. As humans, we could learn from them!

## FAMILY CHALLENGE

Make a promise to your family and do not break that promise. Prove that they can trust you! Promise to have a device free day and play games.
