### **Parent Forum Invitation**

We would love to invite you to join our wonderful Parent Forum! Your thoughts, ideas and experiences are so important to us and really help shape the decisions we make. Our Parent Forum is a friendly, welcoming space where we come together to chat about how we can make our school community even better. We are always excited to hear fresh perspectives and new ideas from our families.

Ideally, we would like a nominee from every class. The Parent Forum will meet with Miss Slingsby each term for an hour, from 3:30-4:30pm (coffee, cakes and free afterschool club provided!)

If you would like to get involved and be part of this lovely group, please email the office. Together, we can continue creating the very best learning environment for all our children.

### **Harvest Festival**

This week, Y5 led our Harvest Festival in church and what a fantastic job they did! They explained the meaning behind the Harvest celebrations using songs, poems and drama. We were all really impressed with their confidence and speaking skills as they shared what they were thankful for. We really appreciate all the families who joined us on our walk to and from the church and we are so thankful to all those who donated to such a worthwhile cause.

### **Parent Insight**

We have our first round of Parent Insight sessions coming up in October. For those of you that haven't experienced these afternoons, before it is an opportunity for parents to come and join in a lesson with their child, learning alongside them. This enables parents to get a flavour of what life is like in the classroom and also to see the different strategies and methods we use to teach, which will help you to support your child at home. If you wish to attend the session, please sign up on Arbor, you will be able to see within the app if you have secured a place.

**These are live lessons, and unfortunately younger siblings are unable to attend. Unfortunately, you will not be able to attend unless you have booked onto the session.**

### **Bikeability**

A huge well done to our Year 4 and Year 5 pupils who took part and completed their bikeability courses. We were immensely proud to see their perseverance and the skills they learned to ride their bikes safely and confidently. Despite the rain they rose to the challenge with enthusiasm and a smile of their faces. These practical learning experiences are crucial in developing not just physical skills, but also resilience and self-belief.

### **Cycling to School**

We would like to address an important matter of pupil safety. As we continue to prioritise the well-being of our children, we kindly request your support in discussing road safety with your children, particularly those who cycle to and from school. We are especially keen for parents of Year 6 pupils who may be cycling independently to have detailed conversations about responsible and safe cycling practises. By working together, we can ensure our children develop good habits and stay protected on their journeys.

### **Reception Welly Walk**

Our Reception pupils were eagerly anticipating their Welly Walk today, but stormy conditions have meant we have had to postpone our outdoor adventure. We understand how much the children were looking forward to this exciting activity. Rest assured, we are already planning to reschedule and are particularly excited about the wonderful puddles the storm might leave behind for our pupils to enjoy! We will communicate the new date as soon as it is confirmed.

### **Earrings**

Please can we remind parents that for safety reasons earrings are not permitted in school. Any children who come into school wearing earrings should have them covered with plasters and will be asked to remain in the quiet area during lunch and breaktimes. Thank you for your support.

### **Congratulations Miss T**

We are excited to share the news that Miss Tunsted is having her second child in the coming weeks and although we will miss her while she takes time off during this special time, we can't wait to welcome the new member of our school family.

### **Fitness Challenge**

We are delighted to share the wonderful success of our whole school fitness challenge that took place this week. It was lovely to see children of all ages supporting and encouraging each other, demonstrating a remarkable whole school team spirit. The event not only promoted physical activity but also reinforced values of resilience and health. Thanks to everyone who sponsored the event, funds raised will go towards new sports equipment for our school. Please check our social media pages to see the fantastic moments captured during this energetic day.

### **Quotes from Miss Slingsby's #Positivegossip Book this week:**

- Y2 for setting a wonderful example to the rest of the children in worship.

### Let's Talk About Rights!

This week our Article of the week for you to discuss at home is: *Article 6: Every child has the right to be alive*

What does this mean?

- How do children access this right?
- How can duty bearers help to ensure children have this right?

### Article of the WEEK

# Ready, Respectful, Safe!

## Ready

We are ready to learn,  
ready to listen and ready  
to embrace

## Important reminder regarding reporting absences.

Please be reminded that you need to notify school before 9am with the reason for absence for this to be recorded appropriately.

**Please note 'Feeling unwell', 'poorly' or 'under the weather' is not sufficient, more detail is required such as 'has been sick' or 'has a temperature' is required.**

There are lots of ways to notify school of absence. You can call the school number and leave a message on the absence line, you can send a message via Arbor or you can email the school office.

Thank you for your continued support
