### **Festive Events**

As we approach December, we are excited to share some of the festive events we have planned for the holiday season! On **12th December**, we will be celebrating Christmas Dinner and Jumper Day, where everyone is encouraged to wear their favourite festive jumper. Reception and Year 1 children can look forward to **Breakfast with Santa** on **16th December**, followed by Year 2 and Year 3 enjoying their own **Breakfast with Santa** on **17th December**. Please make sure to submit your payments via Arbor for these events. Additionally, KS1 Reception, Year 1, Year 2 and Year 3 will be heading to The Brindley Theatre to watch the pantomime *Aladdin* on **17th December** followed by their class Christmas party, while KS2 will enjoy their own trip to the pantomime and party on **18th December**. Payments and consent for these trips can also be made through Arbor. We look forward to celebrating a joyful and festive end to the term with our children!

### **Pupil Progress Meetings**

We are pleased to invite all parents to book a Pupil Progress Meeting with their child's class teacher. These meetings provide a valuable opportunity to discuss your child's progress, the latest assessment week and any next steps in their learning journey. We encourage you to log into Arbor and select a time that works best for you. We look forward to meeting with you to discuss your child's achievements and progress.

### **Bikeability**

Despite the icy conditions on Tuesday, Reception class showed great determination and successfully completed their balance bike course, while Year 4 braved the chill to finish their Level 1 course. Unfortunately, the icy roads meant Year 5 completed only half of their Level 2 course before it had to be abandoned. The remaining sessions for Year 5 have been rescheduled for December 9th, where we hope for better conditions. Well done to all students for their perseverance and enthusiasm in such challenging weather!

### **Y4 Family Worship**

Year 4 truly shone with their inspiring class worship this week, sharing beautiful messages that encouraged us all to reflect on the importance of gratitude and appreciate the little things in life. Their worship taught us the true meaning of thankfulness, reminding us to acknowledge all that we have to be grateful for. Their delightful singing added an extra layer of warmth and joy to the experience. It was a wonderful reminder of the power of reflection and the spirit of thankfulness—thank you, Year 4, for such an uplifting and heartfelt worship!

### **Centre of Excellence**

We're so excited to be recognized as a Centre of Excellence for financial education! This award celebrates all the hard work we've put into helping our pupils learn the skills they need to manage money confidently and make smart financial decisions. It's not just about what we're doing in our school—it's about sharing what we've learned with other schools too, so more children can benefit. We're proud to be part of something that's making a real difference and can't wait to keep building on this success!

### **Headteacher and Lunchtime Awards**

This week's Celebration Assembly will take place on Monday, where we will recognize and celebrate the hard work and achievements of our children. Certificates will be awarded to those who have demonstrated exceptional effort, progress, and attitude in their learning. It's always a special moment to come together as a school community to acknowledge the accomplishments of our pupils, and we look forward to celebrating their successes.
