

St Michael with St Thomas Church of England Primary School

(Child Friendly Version of Safeguarding Policy)

All of the adults around you think that your health, safety and welfare are very important.

This school respects you and it works to help protect your rights.

We do our best to help you make good educational progress.

We teach you how to recognise risks in different situations, and how to protect yourself and stay safe.

How are children protected at St Michael with St Thomas?

We provide you with a safe environment to learn in.

We help to ensure that you remain safe at home as well as at school.

We help you to understand that it is important for you to know where to get help if you are worried or unhappy about something.
