

St Michael with St Thomas CE Primary School
Eco groups Action Plan 2025-2026

Project Overview:			
Aims	Actions	Cost	Review/ Monitoring
Use findings from our water hotspot audit to identify areas of high use.	<ul style="list-style-type: none"> ▪ Share results with Eco Group and staff; create a display showing where most water is used and ideas to reduce it. 	£0	Eco Group review audit and update display each term.
Raise awareness of water conservation across school.	<ul style="list-style-type: none"> ▪ Design water-saving posters to display in toilets, classrooms, and staff areas. 	Printing: £10	Posters displayed and checked for visibility/impact by Eco Group.
Engage the whole school community.	<ul style="list-style-type: none"> ▪ Lead a whole-school assembly on water saving, including facts, tips, and pupil presentations. 	£0	Feedback from staff/pupils after assembly; photos added to Eco board/newsletter.
Reduce waste from dripping taps and toilets.	<ul style="list-style-type: none"> • Eco Group to check taps/toilets weekly and report leaks; create a reporting chart for classes to use. 	£0	Site manager log; review number of issues reported/fixed.
Link water saving to wider eco learning.	<ul style="list-style-type: none"> • Organise a 'Water Week' with curriculum links (e.g., measuring water in maths, rivers in geography, water cycle in science). 	Possible resources £10	Evidence in books/displays; pupil voice on what they learned.
Celebrate impact and share with parents.	<ul style="list-style-type: none"> • Produce an Eco Newsletter and end-of-year display to show what has changed in water use; include photos of posters, assembly, and monitoring charts. 	£0	Newsletter shared with parents; display reviewed by SLT/Eco Group.
Use findings from our water hotspot audit to identify areas of high use.	<ul style="list-style-type: none"> • Share results with Eco Group and staff; create a display showing where most water is used and ideas to reduce it. 	£0	Eco Group review audit and update display each term.
