

Summer in Year 2

English

Kate on the Case:

The children will write:

A character description of each character.

A diary entry recounting what Kate has discovered so far.

A letter to Mum, informing her of the train adventures.

We are reading...

Maths

Exploring Calculation Strategies; Multiplication & Division

- Apply addition and subtraction strategies to solve equations
- Illustrate and explain addition and subtraction using column method
- Multiplication and division facts for 3 and 4
- Relate 4 times table to doubling the 2 times table
- Describe, interpret and represent using arrays and bar models
- Recognise inverse relationship

Science

Living Things and Their Habitats

During this topic, we will cover how living things are classified into broad groups according to common observable

characteristics. Children will examine the world of invertebrates in their microhabitats and consider how invertebrates are important parts of food chains.

LUNAR

Explorers: The Journey Home

Children will look at the concept if animals should have the same rights as humans. They will continue to

explore the physical and human features of different places in the world, developing their knowledge of the world's continents and oceans.

In Grammar, we will focus on adding suffixes to change the meaning of words.
