

Summer in Year 3

English

And I climbed and
I climbed...

TBC

We are
reading...

In Grammar, we will be focusing on:

- TBC

Maths

Angles and Shape:

Identify angles including right angles and recognise as a quarter of a turn

Identify and draw parallel and perpendicular lines

Draw / make, classify and compare 2-D and 3-D shapes

Measures:

Measure the perimeter

Read scales with different intervals when measuring mass and volume

Weigh and compare masses and capacities with mixed units

Estimate mass and capacity

Science

Rocks and Soil

We will:

- Compare and group together different kinds of rocks
- Describe how fossils are formed when things that have lived are trapped in the rocks
- Recognise that soils are made from rocks and organic matter

LUNAR

Staycation or Vacation?

What makes the UK a great place to live?

Throughout this unit, pupils will explore the physical and human geography of counties and cities in the UK. They will use maps to find and locate cities and counties in the UK. They will also compare cities in the UK to ones in Europe and South America, to discuss and compare the geography of both places.
