## Science

Light:

Recognise that they need light in order to see things and that dark is the absence of light

Notice that light is reflected from surfaces  
Recognise that light from the sun can be dangerous and that there are ways to protect their eyes

Recognise that shadows are formed when the light from a light source is blocked by an opaque object

Find patterns in the way that the size of shadow

## LUNAR

**Grammar:**

Recapping over previously taught grammar

Use of the present perfect form of verbs instead of the simple past [for example, He has gone out to play contrasted with He went out to play]

**Staycation or Vacation? (Continued)**

**What makes the UK a great place to live?**

Throughout this unit, pupils will explore the physical and human geography of counties and cities in the UK. They will use maps to find and locate cities and counties in the UK. They will also compare cities in the UK to ones in Europe and South America, to discuss and compare the geography of both places.
