Year 4 Class
Handbook
2024-2025

You will find the following information in the Year 4 handbook:

- Details of the adults that will be working with your child this year
- Information about homework
- Information about reading in this year group
- Details about PE days and swimming (if applicable to the year group)
- Times of the school day
- Dates of class worships and parent insight sessions
- Long Term Plan for the year
- Details of any Statutory Testing (Y1, Y4 and Y6 only)
- A copy of the Home – School agreement to sign.

Staff working in Year 4 this year:

Class teacher: Miss Sutton

KS1/KS2 Leader: Mrs Worrall

Teaching Assistant: Miss Lucas

Homework

Homework will be sent on each **Thursday** and will be collected in each **Tuesday**.

Weekly homework will consist of:

- Reading 5x a week
- Spellings – These can be practised via the games on Spelling Shed
- X Tables – These can be practised via the games on TT RockStars
- Talk Task – a ten-minute task to develop oracy skills.

Spellings and times tables (in KS2) will be tested on a Tuesday or Wednesday and the scores recorded in the back of the child's homework books.

All log ins and passwords are on stickers in your child's reading diary.

Reading

We ask that all children read at least 5 times each week at home. This is to support them with:

- Becoming more fluent with their reading
- Developing reading stamina, allowing them to read longer and more challenging texts
- Developing the speed in which they are able to read and comprehend at
- Developing Vocabulary
- Developing a love of books

Reading in Early Years and KS1

In Reception and KS1, pupils are no longer reading by 'Book Band'. Instead, children will have a reading book that is matched to the phonics sounds that they are learning in their groups. This is to ensure that they have time to practise and rehearse the learning taking place in the classroom. Children will be reassessed in their phonics groups each half term. These books are to be read often as children build fluency through reading known texts. They will be changed twice a week.

Children will also bring home a second book, which is a sharing book. This book is for adults to read with their child to build a love of books, enjoying the story, discussing the language, characters and plot. This book is not for adults to try and make children read, as this will contain sounds that they have not yet been taught through phonics. These books will be changed twice a week, but children can also change these books whenever they are ready to from the class library.

Reading in KS2

Once children have finished the Read Write Inc Phonics programme at the end of KS1, they will be assessed in their reading using the KS2 book bands. Children will be given a book that matches their reading level to read each night at home. Pupils will still be expected to read at

least 5 times each week, although as they get older, they may read independently at some points throughout the week. All children who meet this home reading target, will receive House Points and an extra in class reward.

Studies have shown that reading progress in KS2 often slows, as parents believe that now pupils can read competently, there is less need for them to read aloud with an adult. This is a misconception and it is essential that pupils still have time to read aloud and to discuss texts with someone, especially as the books they are reading are becoming more and more challenging. Please support your child by listening to them read regularly and discussing the text with them.

Pupils in KS2 will be assessed each term and the book band that they are reading at may change. However, this is based on more than just the ability to read the words, and the pupil's comprehension of the text is equally important. Pupils who read widely and from a variety of different types of texts, will develop their reading and comprehension skills far more efficiently.

PE in Y4

This year our PE days will be **Monday** and **Wednesday**. We will also be starting swimming lessons in the Spring term – further information will follow nearer the time.

We are asking that pupils come into school in their PE kits on their PE days – this should be a plain white t-shirt, black shorts and trainers. In the winter, pupils can wear a plain, black tracksuit over their PE kits to keep them warm.

The only thing that pupils need to bring into school and leave there is a small PE bag with their indoor pumps in.

Please ensure that tracksuits and shorts are plain black, with no stripes or logos down the sides.

No football/rugby kits will be allowed.

Details of any Statutory Testing (Y1, Y4 and Y6 only):

The Year 4 Multiplication Tables Check is statutory for all students in Year 4, taking place in the Summer term. It is a digital assessment which checks recall of multiplication facts within a time limit.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.

Children will receive daily in school support to prepare for the check, and we ask that children use resources such as TT Rockstars outside of school regularly to practice their knowledge in preparation for the check.

More information will be provided throughout the year through insight sessions and guidance.
