

Autumn in Year 5

English

The Jabberwocky

This term our writing will be inspired by Lewis Carroll's poem, The Jabberwocky.

We will be writing: a persuasive advert to persuade readers to purchase a vorpal sword; an informal warning letter from the father to his son; and a narrative retelling of a battle scene between the boy and the Jabberwocky

We are reading...

Maths

Integers and decimals:

This term we will reason with numbers to one million. We will explore the value of digits in numbers with up to 5-digits. We will order and sequence these numbers and link this to patterns to support calculating.

Science

Earth and Space:

We will learn about Earth's place in Space. We will think about the reasons why we experience day and night and seasons and the role the earth, sun and moon play in these.

LUNAR

Ancient Rome

This term we will learn about what made the Romans great. We will learn how Rome was formed and think about the changes that happened in how Rome was ruled. We will also learn about the impact the Roman invasion had on Britain.

Our grammar focus will be:

- Relative clauses
- Devices to build cohesion within a paragraph
- Linking ideas across paragraphs using a range of adverbials.
