

Spring in Year 5

English

This term we will use the novel Little

Light to write a leaflet to campaign against bullying and provide information. We will also write a character description of Ava (the main character) and an explanation of what makes a good friend.

We are reading...

Grammar:

Brackets, dashes or commas to indicate parenthesis.

Indicate degrees of possibility using adverbs.

Maths

This term we will reason with numbers to one million and multiply and divide numbers within this range.

We will use knowledge of place value to support multiplication and division of numbers by 10, 100 and 1000.

Science

Throughout this topic we will learn how to compare materials properties based on conductivity and other physical properties. We will design and conduct investigations to explore materials and their properties and analyse results.

LUNAR

This term we will learn about the biomes of the earth. We will use our knowledge of physical geography to classify biomes and locate them on world maps. We will consider how plants and animals are adapted to live in such climates.
