

Summer in Year 5

English

This term we will use *The Unforgotten Coat* by Frank Cottrell-Boyce to inspire our work. We will write:

- A narrative
- A short story
- An email

We are reading...

Maths

This term we will learn about perimeter and area, lines and graphs. We will calculate the area and perimeter of a range of shapes and analyse the data shown on a range of graphs to solve problems.

Science

This topic we will describe the changes as humans develop to old age. We will explore each phase of life and consider the impact of this on humans. We will record data and look for patterns within each life phase recording data in graphs.

LUNAR

Grammar:

- Relative clauses and relative pronouns.
- Multi-clause sentences.
- Direct speech for quotes.

This term we will learn about the impact of Ancient Greece on our lives today. We will find similarities between Ancient Greece and modern-day Britain and compare the lives of people in Sparta and Athens during the period.
