

Summer in Year 5

English

This term we will use the novel, *The Letter with the Golden Stamp* to write a diary of Audrey's time away from home and describe her thoughts and feelings. We will write a narrative prequel that explores themes within the book and write a campaign to support young carers.

We are reading...

Grammar

- Direct speech
- Paragraphs to aid cohesion and connect themes in a narrative.
- Relative clauses.

Maths

This term we will learn about angles, transformations, 2D and 3D shapes. We will identify, describe and represent the position of a shape following translation or reflection and use the angles of a full turn to 360° and half turn to 180° .

Science

This topic we will describe the differences in life cycles of mammals, birds, amphibians and insects. We will make comparisons in the development and life cycle of each animal group and describe the reproduction process in plants and some animals.

LUNAR

This term we will learn about the impact of Ancient Greece on our lives today. We will find similarities between Ancient Greece and modern-day Britain and compare the lives of people in Sparta and Athens during the period.
