

# Summer in Year 2

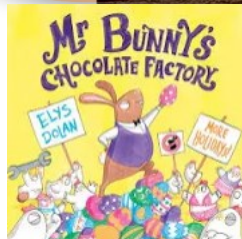

## English

### Mr Bunny's Chocolate Factory

This term our writing will be inspired by Mr Bunny's Chocolate Factory.

We will be writing:

- Instructions for making chocolate eggs.
- Apology letters to the chickens from Mr Bunny.
- A character description of Mr Bunny.

We are reading...

## Maths

### Fractions/Time:

- Part-whole relationships
- Fractions as part of a whole or whole set
- Relate fractions to division.
- Tell the time on an analogue clock: quarter past, quarter to and five- minute intervals
- Calculate durations of time in minutes and seconds
- Sequence daily events
- Learn how many minutes in an hour and hours in a day.

## Science

### Living Things and Their Habitats

During this topic, we will cover how living things are classified into broad groups according to common observable characteristics. Children will examine the world of invertebrates in their microhabitats and consider how invertebrates are important parts of food chains.

In grammar we will be focussing on:

- Commas in list sentences.
- Adverbials to express time
- Conjunctions for complex sentences.

## LUNAR

### Explorers: The Journey Home

Children will look at the concept if animals should have the same rights as humans. They will continue to

explore the physical and human features of different places in the world, developing their knowledge of the world's continents and oceans.
