

# Summer in Year 2

## English

Children will:

Children design and describe their dream chocolate bar.

Create a recipe for their dream chocolate bar.

Write a letter to Willy Wonka from the perspective of one of the children after their visit to the chocolate factory.

We are reading...

In Grammar, we will focus on using a range of conjunctions for joining and subordination, using expanded noun phrases and commas in a list.

## Maths

Exploring calculation strategies, Multiplication and division:

Apply addition and subtraction strategies to solve equations

- Illustrate and explain addition and subtraction using column method
- Multiplication and division facts for 3 and 4
- Relate 4 times table to doubling the 2 times table
- Describe, interpret and represent using arrays and bar models
- Recognise inverse relationship

## Science

### Living Things and their Habitats – Larger Habitats

We will identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.

## LUNAR

### Explorers: The Journey Home

Children will look at the concept if animals should have the same rights as humans.

They will continue to explore the physical and human features of different places in the world, growing their knowledge of the world's continents and oceans.
